

Account-Spectrum Coverage Map

Everyone covers a slice. A8 Core™ covers the spectrum — the union no single incumbent core serves end to end.

	DDA	Retirement	Taxable	Trust / Priv-fund	Multi-tenant
Legacy bank cores	✓	✗	✗	~	~
Modern cloud cores	✓	✗	~	✗	~
BaaS / embedded-banking	✓	✗	✗	✗	~

Why the union is the moat

Retirement tax logic, trust/entity structures, and private-fund mechanics are years of domain encoding. The marquee 2022 core acquisitions (Technisys, Finxact) sold for \$1B+ each and were noted by analysts as not covering this full range. A8 Core™ starts from it.
